To Whom-it-May-Concern,

Over the last month, our top management had been having meetings over our company strategy.

We have learned with all sorts of things growing this company, there are a few changes needed which require your help as well. As our company is planning to go public, we have to reconstruct our accounts.

We hope that our customers can assist us in achieving this milestone. We will need to change our vendor name to TOTAL COSMOS LIMITED. It is just changing the account that is responsible for your orders.

Please kindly help to advise us on the steps we will need to take in doing this.

We appreciate your understanding in this matter.

Thank you

Yours Sincerely,

Ivan Lee
